Playtopia Representative

DWG No. VM 100108

FOR AGES 5-12

USE ZONE 50'X42'

IMPORTANT!
As specified by the ASTM standard F.1487, the US consumer Product Safety Commission and Canadian Standard CAN/CSA-Z-614, resilient surfacing should be utilized within the minimum use zones as specified on this drawing. The resilient surfacing should be installed at the minimum depth as specified by the standards to meet critical fall height requirements.
